## Salida Fly Fishing Tournament Turns Deadly In *Wicked Eddies*

Beth Groundwater buries the hatchet in the neck of an unsavory fisherman in her latest mystery

BRECKENRIDGE, COLO. — Nearing the end of her first season as a river ranger on the Arkansas River, Mandy Tanner is more comfortable cartwheeling around rocks and chuting rapids than she is confronting the death of her uncle or committing to her boyfriend, but when tragedy strikes and her best friend is implicated in a murder investigation it's up to Mandy to suss out the family secrets swirling beneath the surface of **WICKED EDDIES**, second in the RM Outdoor Adventures Mystery series by Beth Groundwater, available in stores and online May 8.

A huge fly fishing tournament is drawing people to Salida, Colorado, by the boatload and the river is rife with cheaters. But Mandy has bigger fish to fry after she discovers the body of would-be competitor Howie Abbott with a hatchet in his neck and, soon after, the naked body of his niece floating in the river. When local bartender Cynthia Abbott is netted for her uncle's murder, Mandy puts her life on the line and dives into a pool of deeply disturbing family secrets in effort to vindicate a close friend in need.

**“Groundwater’s novel is filled with river lore, vivid descriptions, and loving depictions of the varied characters who make up the tight-knit community.”**
